

VF-111's only MiG Killer, F8-C 146961 on 5-24-68 at NAS Miramar, ten days prior to departing on its MiG killing cruise. The aircraft was the mount of LT JOE THOMPSON and had TIGER painted in white on the red tail stripe. LT ANTHONY NARGI would be flying her on 9-19-68 when he would use a AIM-9 Sidewinder to down a MIG-21.
